Course Outline

Adobe® Dreamweaver® CC: Part 2

Duration: 1 day (6 hours)

Learning Objectives:

Upon successful completion of this course, you will be able to develop interactive and engaging websites that are compatible with multiple display devices.
You will:
- Identify website requirements.
- Create layouts.
- Format web pages.
- Create forms.
- Integrate media files with Dreamweaver.
- Manage website files.

Target Audience:

This course is most valuable for individuals who have been given responsibilities to create or maintain a website. It will also be valuable for new web designers, web developers, and graphic artists who want to extend their skills in creating complete websites. Learning how to use Dreamweaver CC will enable the practitioner to create web pages and sites in the most efficient manner. This course can also be used to help prepare students to take the Adobe Certified Associate (ACA) exam.

Prerequisites:

To ensure success in this course, you should have some experience using Dreamweaver. You can obtain this level of skill and knowledge by taking the Adobe® Dreamweaver® CC: Part 1course
